UTICA FIRST INSURANCE COMPANY HOMEOWNER GUIDELINES – NEW JERSEY

ELITE PROGRAM (continued)

NEW DWELLING CREDIT

The new dwelling factors shown below may be applied when a dwelling is new. For the purpose of this rule, a dwelling is considered new if it has been completed and occupied within the last fifteen calendar years. In the event the dwelling is occupied in a year other than in the year of completion, the later year will be used in applying the factor. Apply the factor to the basic premium shown on the rate pages. Do not apply this factor mid-term.

<u>Year Dwelling Built and First Occupied</u>	<u>Factor</u>
Current calendar year	.75
1 year preceding current calendar year	.76
2 years preceding current calendar year	.77
3 years preceding current calendar year	.78
4 years preceding current calendar year	.79
5 years preceding current calendar year	.80
6 years preceding current calendar year	.82
7 years preceding current calendar year	.84
8 years preceding current calendar year	.86
9 years preceding current calendar year	.88
10 years preceding current calendar year	.90
11 years preceding current calendar year	.92
12 years preceding current calendar year	.94
13 years preceding current calendar year	.96
14 years preceding current calendar year	.98

Binding Authority

Up to Maximum limits as noted for that specific program for which it refers to . No new coverage or increases in coverage to be bound while hurricane watch alert is in effect. Coverage not to exceed 30 days. Use ACORD or Homeowners Application binders. In order to avoid any possible conflict with back-dating or late receipt of binder, the agent must notify the Company within three (3) working days of all business which the agent has bound pursuant to the authority granted herein. This notice is to be accomplished by depositing the required report in the United States Mail addressed to the Company. In the event that the Company shall for any reason grant any individual exception(s) to this time limit requirement, such exception(s) shall not be deemed to apply to any other or any subsequent submission(s), or to extend the time for notice with respect to any other or any subsequent submission(s), or to waive this time limit requirement with respect to any other or any subsequent submission(s).

Cancellations

No cancellation notices are to be sent by agents other than for non-payment. We would prefer you send the non-pay request through. Flat cancellations allowed only during first 30 days.

UTICA FIRST INSURANCE COMPANY HOMEOWNER GUIDELINES – NEW JERSEY (Continued)

CONSTRUCTION DEFINITIONS

Masonry: A dwelling with walls of masonry or masonry veneered construction

Frame: A dwelling with walls of frame, or metal-sheathed or stuccoed frame construction, or with walls of metal or metal lath and plaster on combustible supports.

Mixed: A dwelling is classified as frame construction when the wall area of frame construction (including gables) exceeds one-third of the total wall area.

SUBURBAN RATING & FIRE PROTECTION DEFINITIONS

Protected: Building is located within five road miles of a responding fire department and:

- a. within 1,000 feet of a fire hydrant; or
- b. Suburban Rating Plan: Dwellings located in Partially Protected class qualify for Suburban Rating if the following eligibility criteria are met:
 - HO 0003 and HO 0005
 - Must be primary residence with the following minimums:
 1. Built after 1980 with a minimum dwelling amount of \$150,000.
 2. If risk is eligible for Elite Program dwelling must be built within the last 20 years with a minimum of \$250,000.
 - Dwellings must be within eyesight of other homes either in sub-division, gated community or no more than 200 yards from another home if located on a paved highway setting.
 - The dwelling must be within 150 yards of a paved road and accessible year-round to fire fighting equipment over all-weather roads, including the driveway to the residence.
 - Dwelling must have minimum security of smoke detectors and a serviceable extinguisher.
 - Alternative solid fuel heating sources such as coal stoves, wood stoves, etc are not permitted.
 - Located within 1,000 feet of a public hydrant or within 600 feet of an alternative water source, or responding department(s) located within 5 miles in a fire district designated as protection Class 9 or better must respond within 10 minutes of first alarm with a minimum of 3,500 gallons of water. Mutual Aid by multiple departments will satisfy this requirement as long as water capacity and time standards are met. The water source may include hydrants connected to a public water works, a year round heated swimming pool (minimum 3,500 gallons), lakes, ponds or private water systems.
 - Two photos are required (front and rear).

Partially Protected: Building is located within five road miles of a responding fire district but does not otherwise qualify for protected status

Unprotected: All others

UTICA FIRST INSURANCE COMPANY

BOATOWNERS PHYSICAL DAMAGE COVERAGE

UNDERWRITING GUIDELINES – NEW JERSEY

Boatowners Physical Damage Coverage: Boats, motors, trailers, and accessories may be added to the Homeowners Policy by the Outboard Motor Coverage Form IM-300. Coverage for sailboats and inboard/outboards (I/O's) can also be provided by the IM-300. To add to Homeowners, you need to complete Boatowners Policy application and reference Homeowner policy to attach to.

Liability rates are shown on the Homeowners Optional Coverage pages (see HO-3801).

These Physical Damage rates are on a per \$100 basis and based on all perils deductible of \$250 per occurrence.

Fresh water rates only.
